The unique placement of the shades on the sconce, pendant, chandelier, and linear provide all-around light.

Dalton Wall Sconce

Like jewelry for the wall or ceiling, Dalton adds sparkle to any space. Aged Brass shades are interspersed throughout with rounded glass cutouts that catch the eye when unlit and create an absolutely captivating glow when lit.

Set into a bevel-cut holder, Pylon's long glass diffuser is an example of "Simple is not simply done." On the interior, the glass is both fluted and etched. The glass shade's exterior is both clear and smooth. As LED-driven light moves through this piece, it creates a futuristic impression. Pylon's thin, linear principle is reflected in its smaller-than-standard backplate and ADA-certification, providing easy passage.
